

the **FIREPLACE** project

THE FIREPLACE PROJECT, a contemporary art gallery, presents the 3rd and 4th exhibits in Hudson. The East Hampton Springs gallery remains open, since 2005.

THEODORE ADAMS - *Down to An Echo* - a solo exhibition in the main room

ALEXANDRA TOLEDO - *new ceramics* - a solo exhibition in the upper room

Exhibition: Aug. 16th to Sept. 10, 2024 Reception: Friday Aug. 16, 2024, 4-7 PM

THEODORE ADAMS was born in 1997, in Los Angeles. After graduating from Bard in 2021, he stayed upstate. He found the Hudson Valley to be more suited for his art practice.

Down to an Echo is an exploration of unhealed loss. Starting with paranormal connections to former inhabitants of his Copake home, a long-shuttered schoolhouse, he began making paintings through a form of telepathic story telling with former students and teachers. The new paintings are a continuation of the conversation.

ALEXANDRA TOLEDO, born 1993, is a multidisciplinary artist and designer, with an emphasis on sculpture. Her work captures moments in time, essences of thoughts and processes; she takes refuge in the work itself, and sees the final form as a record of therapeutic action rather than the primary goal. The work is driven by spiritual notions, internal upheaval and results in structure, pattern and repetitional form.
