

the **FIREPLACE** project

THE FIREPLACE PROJECT announces the opening of the second exhibition at the East Hampton location for the 2024 season. The original space in East Hampton Springs remains open since 2005.

WOMEN ARE ABSTRACT

A group exhibition curated by Martine Langatta - featuring Erika Keck, Lola Montes, Sabra Moon, Victoria de Lesseps, Nicole Nadeau, and Eva Robarts

Exhibition: July 13 to August 4, 2024

Reception: Saturday July 13, 2024, 4-7 PM

WOMEN ARE ABSTRACT highlights that women have long been a driving force of abstract art, pushing boundaries and creating innovative works that challenge traditional notions of art.

With Lola Montes in Italy, Nicole Nadeau and Erika Keck in California, Eva Robarts from Miami, and Sabra Moon and Victoria de Lesseps representing New York, we explore the differences and similarities created by geography and cultures.

Martine Langatta is a multi-disciplinary artist living in Springs, and New York City. From 2012 to 2016, Martine founded and directed Secret 16 Gallery in Montauk.
